Step 9

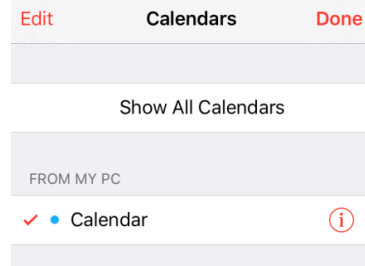

You have now finished subscribing to the EBSB Calendar

All that remains is to enable these events to show in your calendar.

Exit Setup
Go to Calendar App

On bottom of screen is the word calendars, select it,

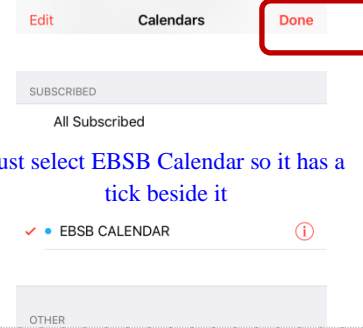

Step 10

Depending on your device, you may or may not have other calendars here; no change is required

Just scroll down so you see the next screen

Step 11

Just select EBSB Calendar so it has a tick beside it

No change to your current settings

Step 12

Select a day, say:-
Sat Feb 17 2017

Selecting this event may show additional information if available.
